THINGS TO BRING

Student tuitions must be paid in full prior to student's arrival at the Academy. No tuition payments will be accepted at check-in.

****For Schools Who Will Be Submitting A Purchase Order:** A valid purchase order will be considered payment for registration purposes only. If your school submits a valid purchase order to the Drum Major Academy, the student for whom the purchase order is to be applied, will be considered paid up to the amount of the purchase order. Any amount not covered in the purchase order must be paid by other means (check, credit card) prior to check-in.*

-The textbook: The most recent addition of **The Dynamic Drum Major** (black cover) will be needed throughout the week for reference and reading assignments. If you pre-ordered a copy of the Dynamic Drum Major on your registration form, it will be available for pick-up at check-in on the first day of the Academy. Students who need a copy can purchase it during the session for \$25.00.

-Comfortable clothes - clothes suitable for marching and working on warm days and in air-conditioned rooms. (Please see the "Rules and Regulations" page for dress code information)

-Sneakers are required for all sessions. Be sure your sneakers have already been broken in BEFORE arriving at the Academy. Sandals, flip-flops, crocs or clogs are not acceptable.

-Sunburn protection - please be prepared to work in the sun. Hats, sun block, sunglasses, and other precautionary items are strongly recommended.

-A raincoat or rain poncho for unexpected summer showers.

-A writing implements and a notebook for all sessions. Make sure you bring this letter as the first section in your notebook.

-You must provide your own linens which should include sheets (most dormitory beds are extra-long twin) or a sleeping bag, a pillow and pillowcase, blanket(s), towels, washcloths, shower shoes and other necessary toiletries. An alarm clock is highly recommended as you will be responsible for getting yourself up and to breakfast on time.

-Students may wish to bring a portable fan. Although most dormitories are air conditioned, we do not control of the temperature in the dormitories. Dormitory temperatures will vary year to year, location to location.

-Although they are **not required**, we recommend that all drum majors bring a whistle and a drum major baton/mace or practice baton/mace.

Even though many bands do not use this equipment, after seeing the showmanship potential for this equipment, many students wish they could attend the baton/mace and whistle sessions and practice some of the techniques. For many drum majors, this can become the special effect that sets them apart from the competition. Therefore, although it is **not required**, we highly recommend that students bring a drum major baton/mace or practice baton/mace and whistle.

If you do not have access to a drum major baton or mace, a 42" wooden dowel or broomstick handle will suffice.

Students who bring a good drum major baton/mace should also have a "practice stick" to use when practicing new, difficult twirling techniques.

-Students may bring snacks. But please be aware, most dorm rooms are not equipped with a refrigerator. Please do not bring anything that requires refrigeration.

-Although water breaks are provided throughout each session, we always recommend students bring their own water bottles that they can fill up before each session.

-Students may bring cell phones; however, students are not to use phones during sessions or after lights out unless there is an emergency.

-Students can bring money with them to the Drum Major Academy®. We do discourage students from bringing excessive amounts of cash to the Academy. Your tuition covers all your necessities. Occasionally dormitory areas have vending machines and the Academy does sell souvenirs. We, the Drum Major Academy® and the Bethel University, cannot be held responsible for any lost or stolen money.

-Please do not bring anything of value to the Drum Major Academy®. Although we very rarely have instances where a student's valuables will get lost or stolen, it does happen. We, the Drum Major Academy® and the Bethel University, cannot be held responsible for any lost or stolen items.

George N Parks Covid-19 2022 Policies

The George N Parks Drum Major Academy is following the latest COVID protocols.

Regarding COVID-19 safeguards and procedures, we will be monitoring CDC guidelines and expectations for the coming summer months. Assume at this point that we will require vaccination record or negative COVID test within 48 hours of arrive to DMA. We will update you for each location as your workshop gets closer.

We will also be required to follow the local guidelines for each location. Each college/university, town, and state will have more specific procedures that will be updated closer to the time of your arrival on their campus.

Stay tuned!

You will be required to agree to these measures in order to provide health and safety to those around you. Failure to abide by these rules will be treated as any other broken rule at DMA, which results in your being dismissed without a refund.

Certification of negative COVID status

At registration on the first day of your workshop, each student will provide either:

1. A negative COVID test done within 48 hours of your arrival at the George N Parks Drum Major Academy OR
2. A completed COVID vaccination card
3. If you arrive at registration on the first day with neither proof of a negative test nor vaccination, you will be invited to get a rapid COVID test done locally and return to registration.
4. Once you have done your test, you must self-quarantine at home until you arrive at GNPDMA.

Face Coverings

*Please keep an eye out for location specific details regarding face coverings.

Water Bottles

1. BRING YOUR OWN TWO WATER BOTTLES
2. You will need to fill your water bottles before each session
3. GNPDMA will also provide water at each outdoor site, but will need to have staff dispense water to each individual who will stand in a socially distanced line.

These rules make it possible to meet together this summer. They are health and safety measures. Without them we can't meet safely. Let's embrace them so that next year we can see some more normalcy. AND if you don't, you go home.
